

T-PARC Operations Meeting

April 7-8 2008

T-PARC Operations Meeting

Welcome to Tsukuba!

Martin Weissmann

Andrea Hausold

Chun-Chieh Wu

Patrick Harr

James Moore

Vidal Salazar

Wen-Chau Lee

Richard Dirks

Darrel Vance

Hee-Sang Lee

Yeon-Hee Kim

Eun-Hee Jeon

Hyun Mee Kim

April 7-8 2008

T-PARC Operations Meeting

Objectives

- **Science objectives associated with targeting for track and downstream impacts following extratropical transition**
- **Criteria to define intensive observing periods**
- **Representative flight plans**
- **Definition of operations timelines for missions that address various science objectives**
- **Coordination among multiple aircraft and centers**
- **Utilization of multiple targeting products**

T-PARC Operations Meeting

Objectives

- **Science objectives associated with targeting for track and downstream impacts following extratropical transition**
- **Criteria to define intensive observing periods**
- **Representative flight plans**
- **Definition of operations timelines for missions that address various science objectives**
