

Fig. 1. 1 Number of observations in each 2°×2° area, January 1950-1979.  
Numerals in each grid are, from the top, for air temperature, sea surface temperature, surface wind, relative humidity, and cloud amount.

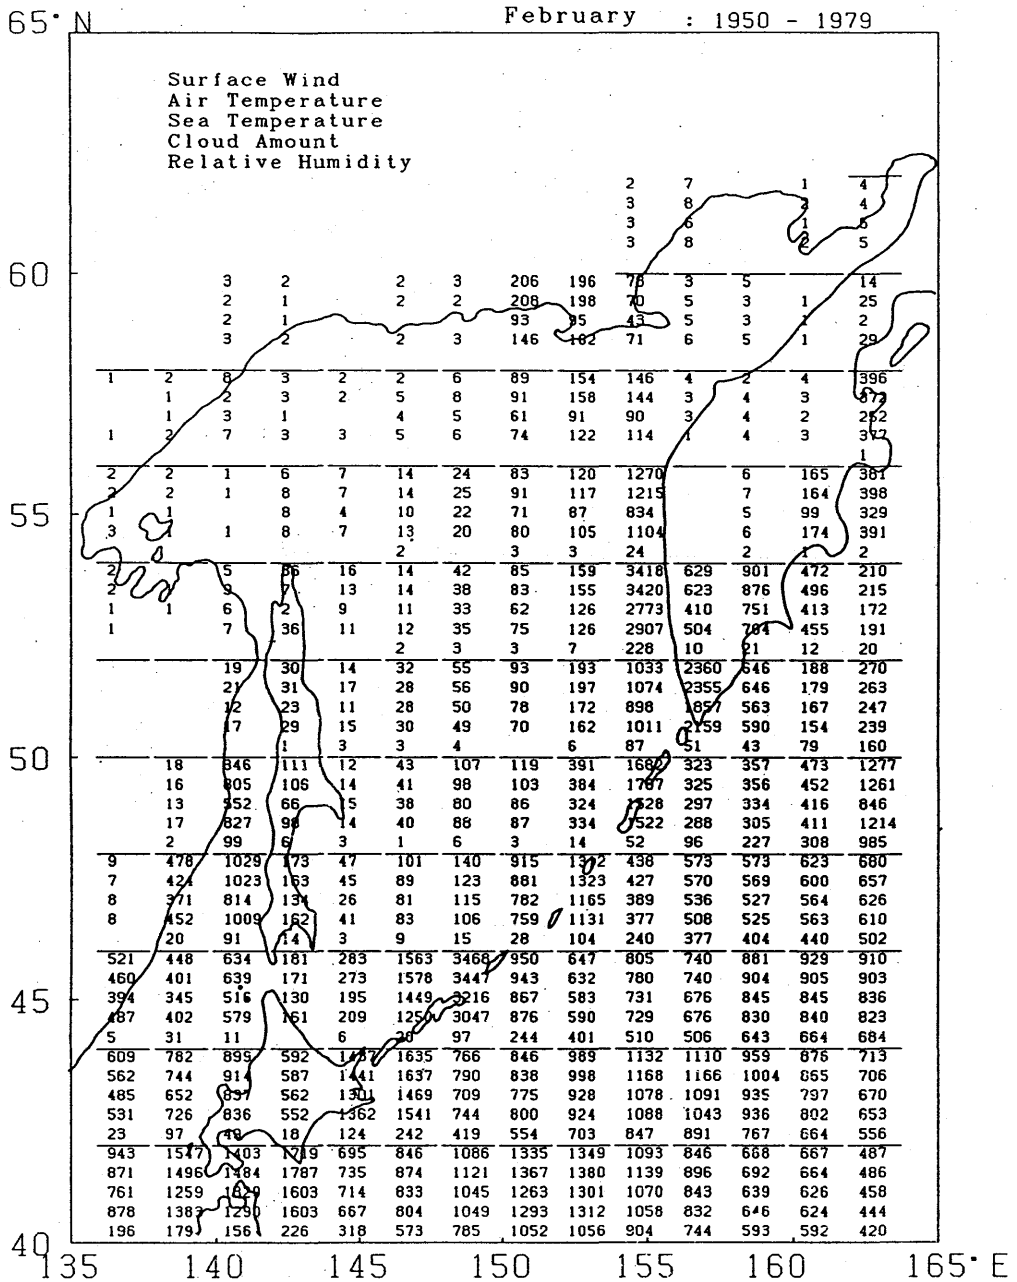

Fig. 1. 2 Same as Fig. 1. 1, except for February.

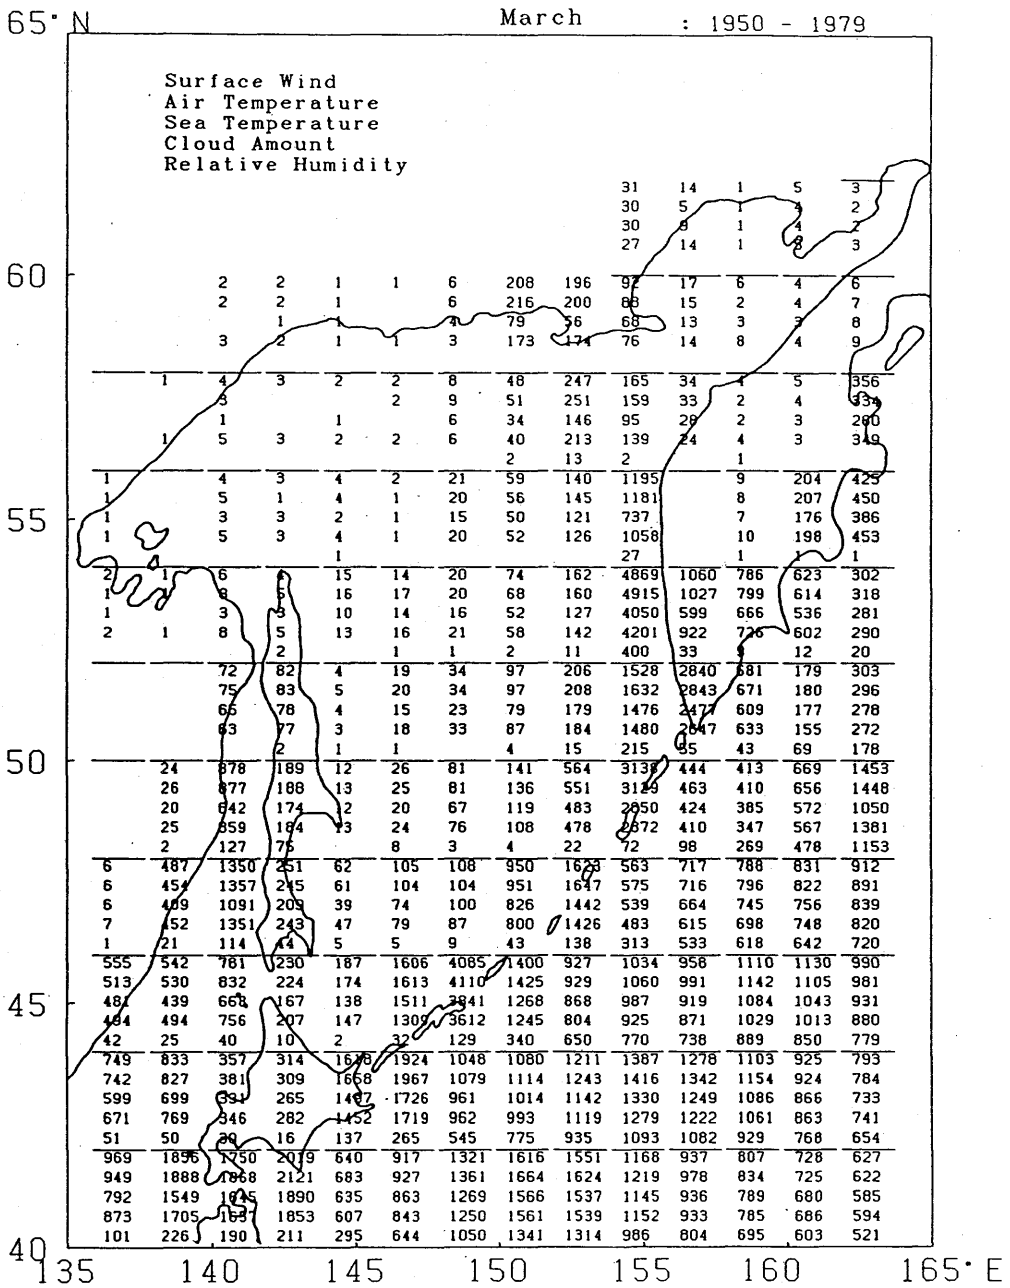

Fig. 1. 3 Same as Fig. 1. 1, except for March.

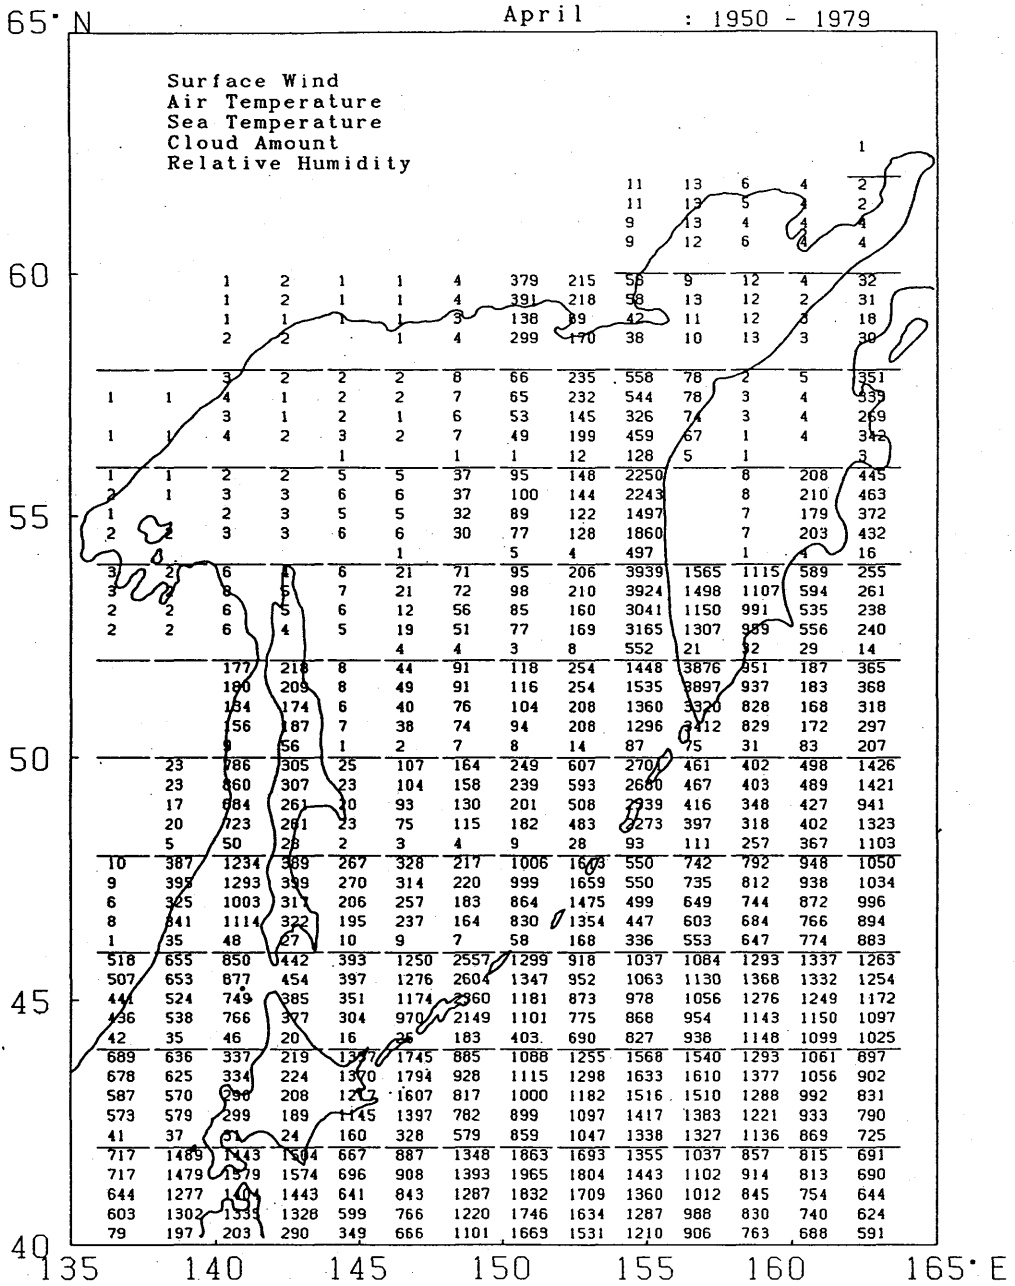

Fig. 1. 4 Same as Fig. 1. 1, except for April.

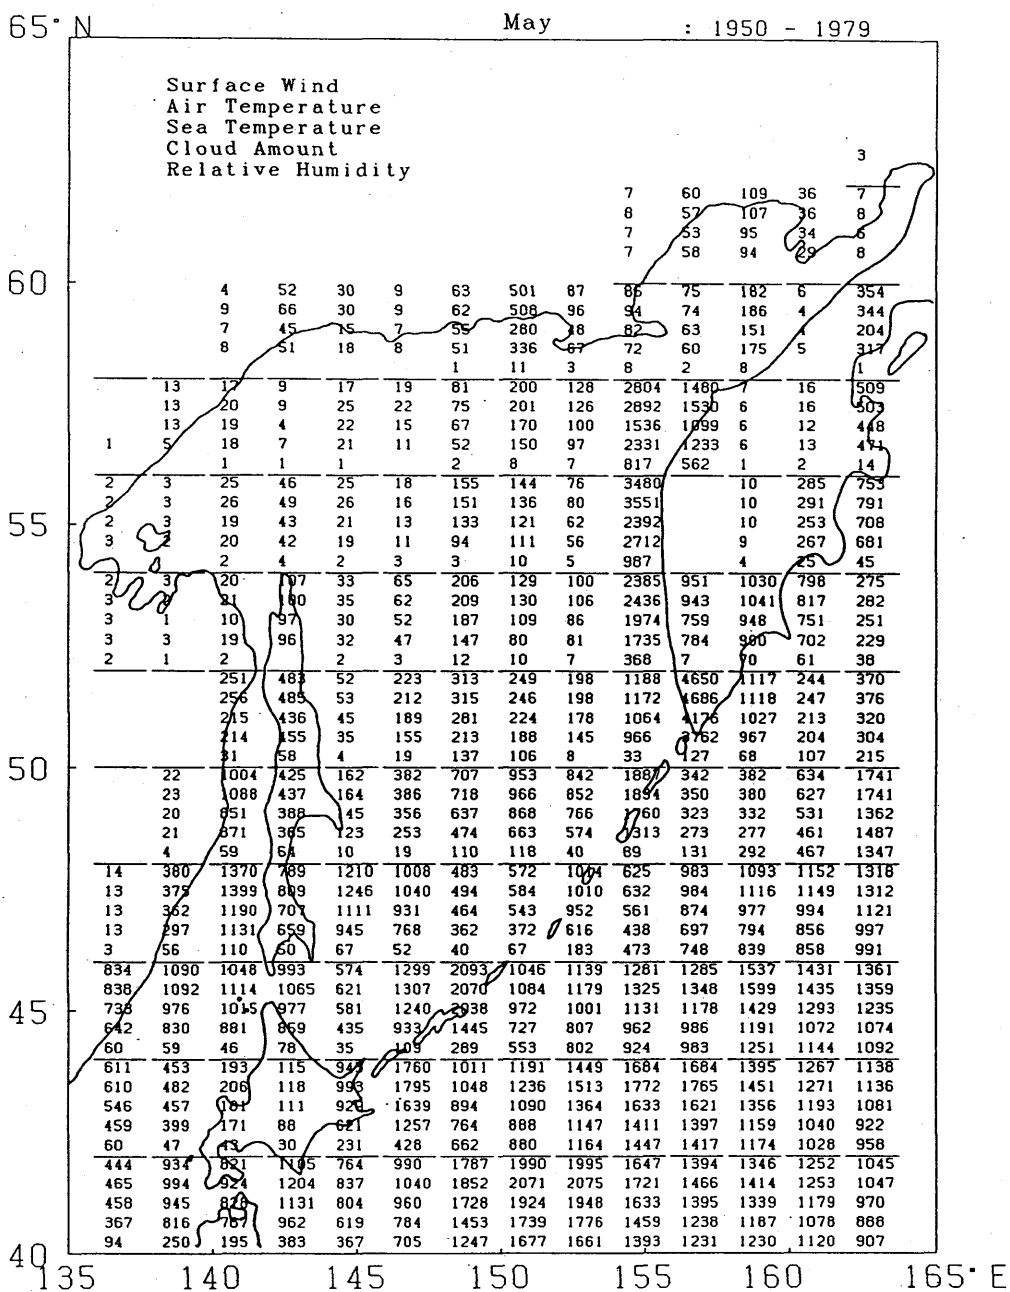

Fig. 1. 5 Same as Fig. 1. 1, except for May.

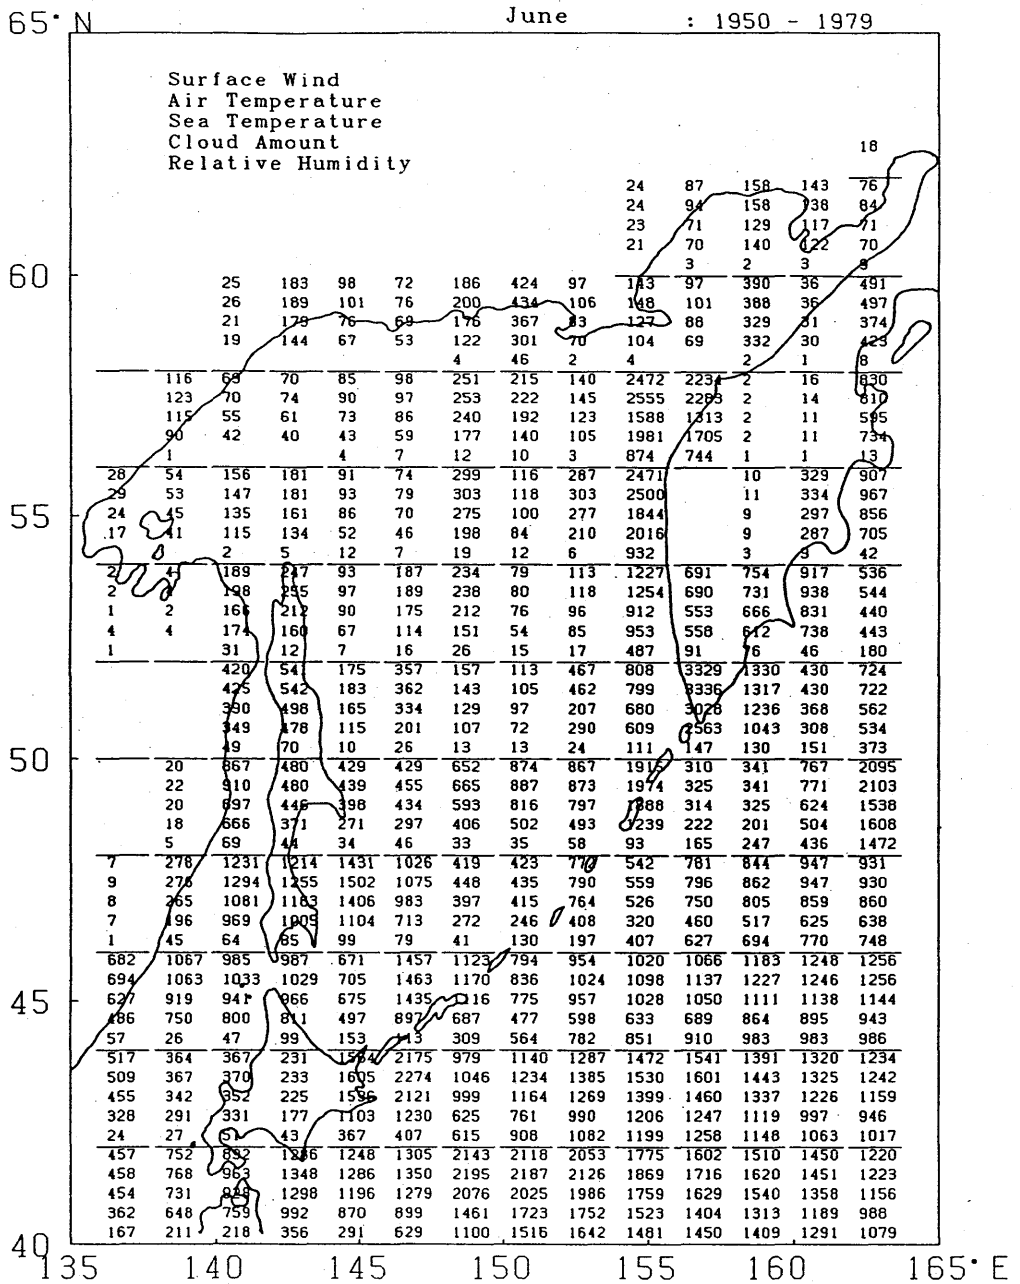

Fig. 1. 6 Same as Fig. 1. 1, except for June.

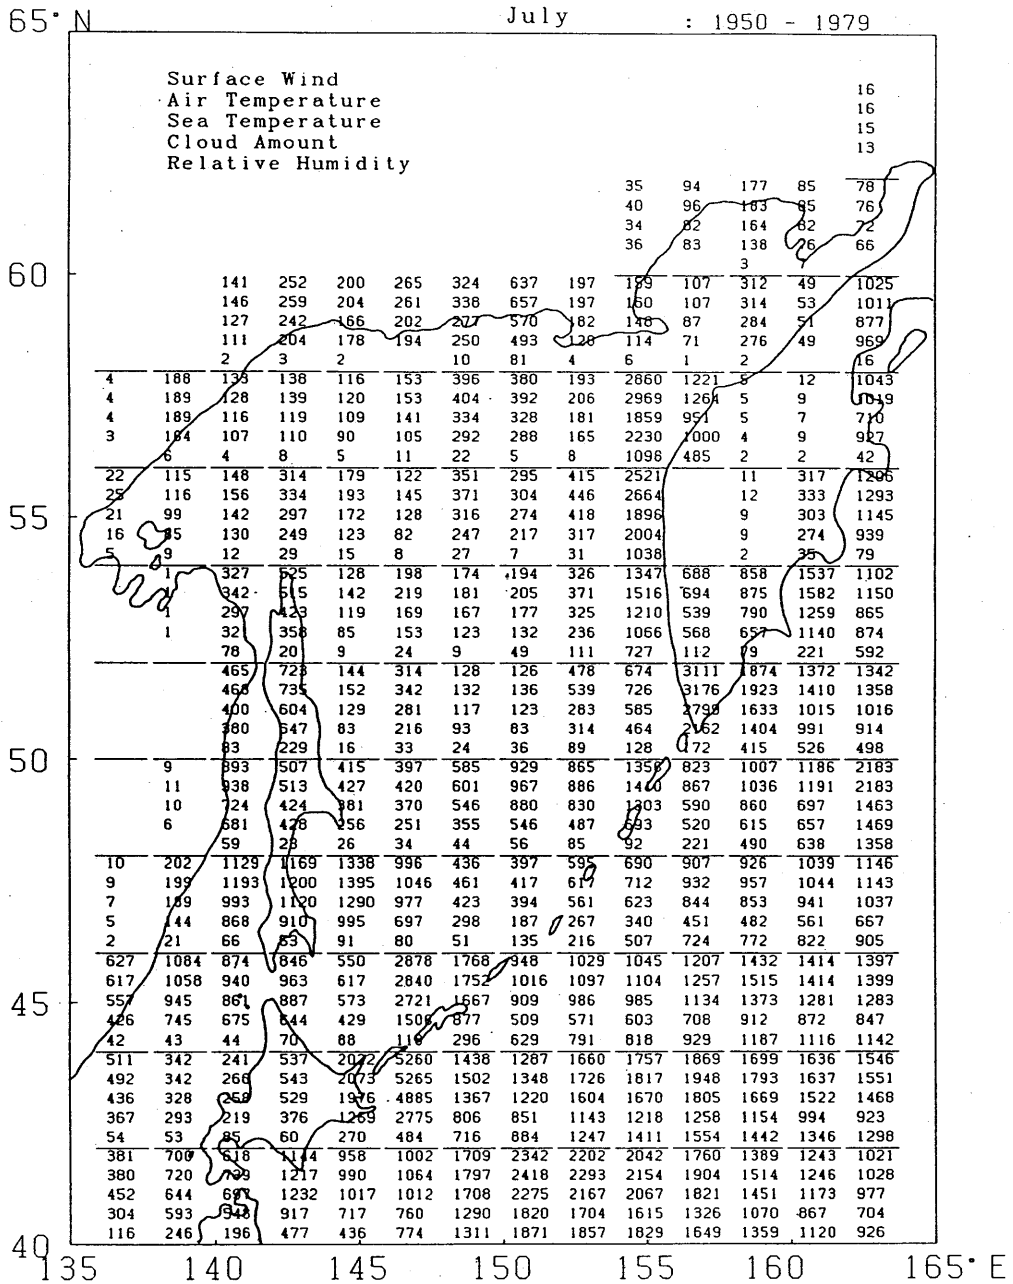

Fig. 1.7 Same as Fig. 1. 1, except for July.

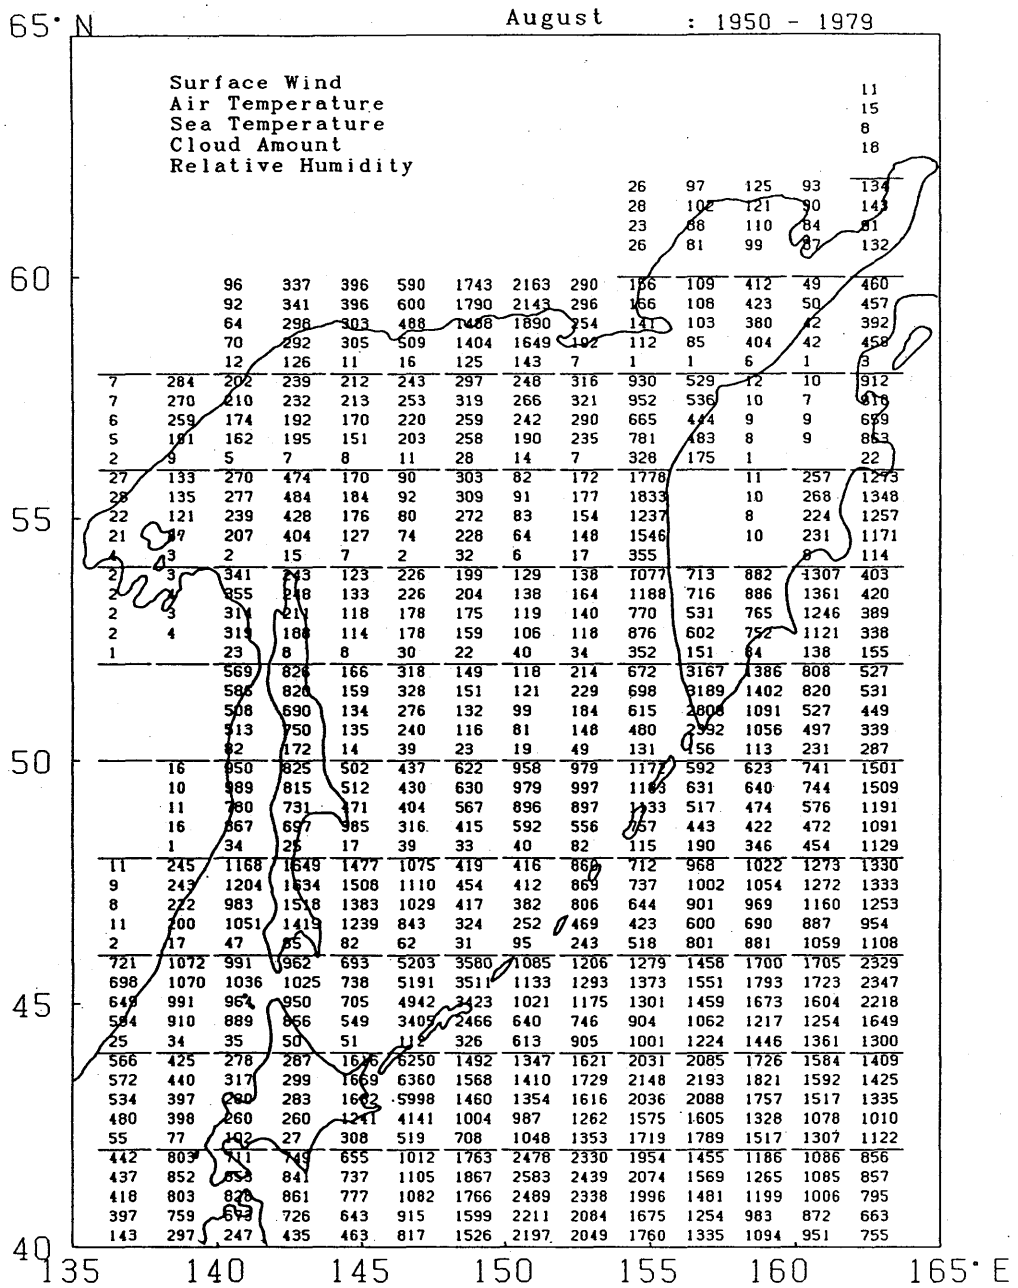

Fig. 1. 8 Same as Fig. 1. 1, except for August.

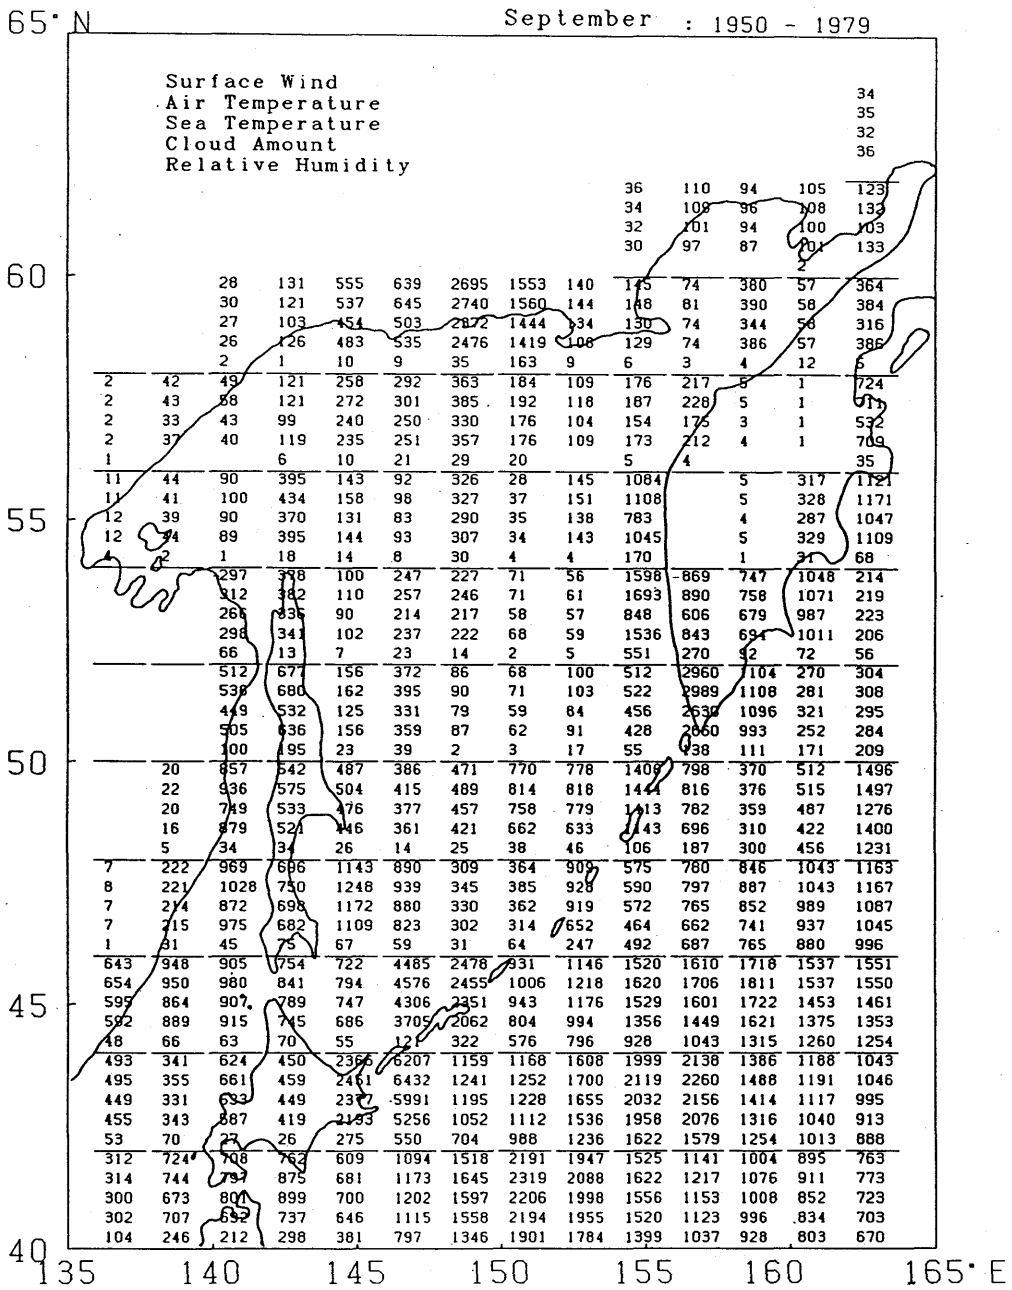

Fig. 1.9 Same as Fig. 1. 1, except for September.

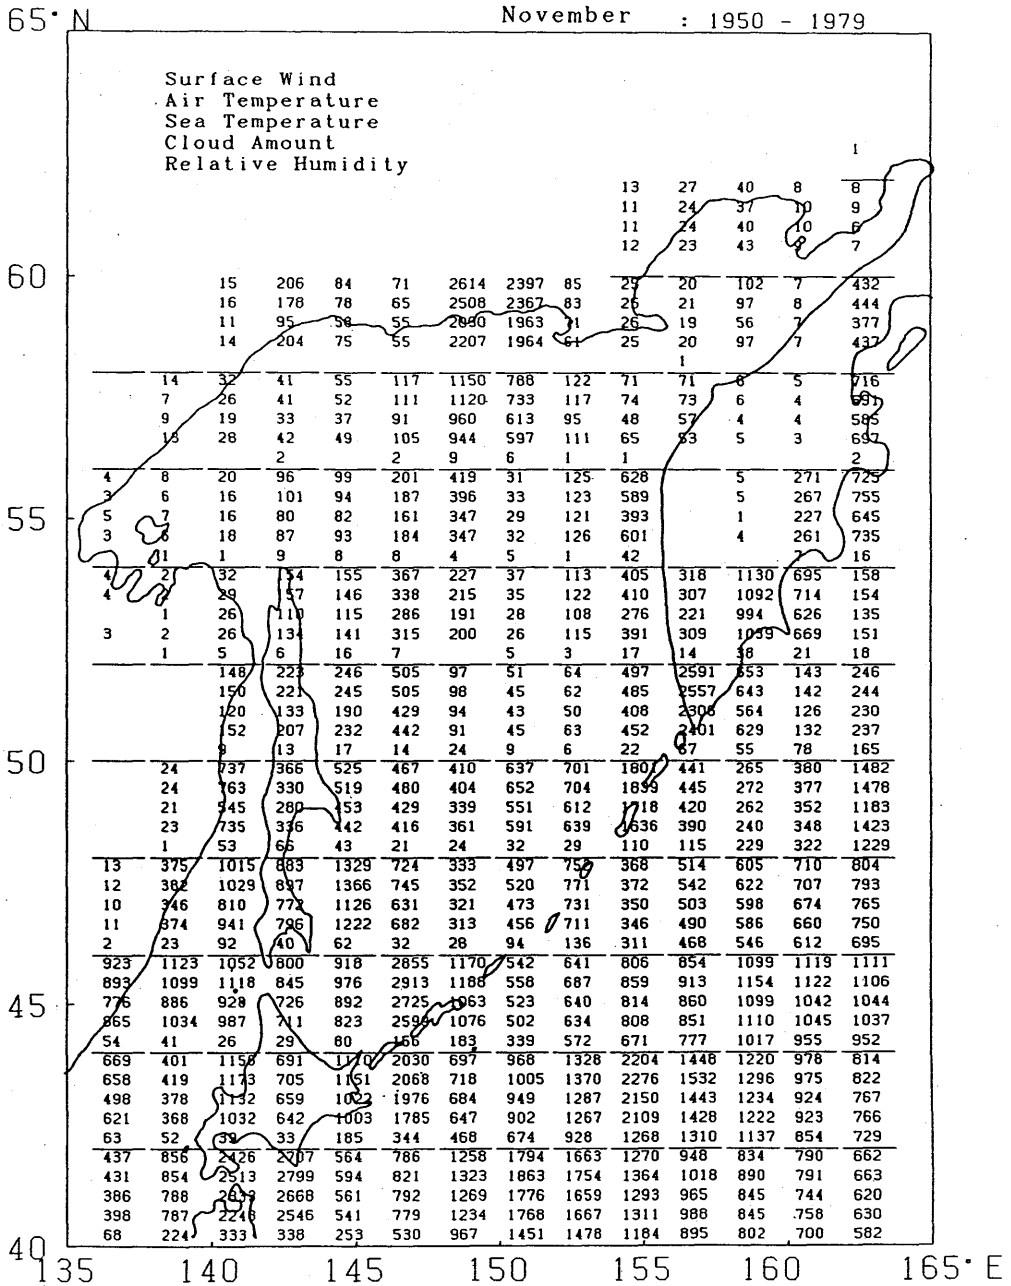

Fig. 1. 11 Same as Fig. 1. 1, except for November.
